

Six Month Permit Extension for Permit # D-1840 Sunshine Canyon Landfill

This attachment extends the permit issued April 7, 2004. This extension is valid for a period of six months from the date of issuance. This permit is valid for the areas released by the Biologist/Zoologist employed by Browning Ferris Industries where bird species have been found to no longer be nesting. This permit is valid only for areas in which the Street Tree Division has received copies of the letters released by the Biologist/Zoologist. Tree removal in areas not yet released may not be performed prior to notification to the Division and a copy of the release letter being received by the Division.

This permit shall be reviewed for further extension at the end of the six month period.
